

Scale Point

Social Media Strategy

A startup company specializing in managing social media pages and sponsored ads for small and large companies

Company Overview

Scale Point is a newly launched digital marketing agency based in Cairo, Egypt.

The company specializes in **social media management**, **content creation**, and **paid advertising** for small businesses and startups that want to grow their online presence.

Company goal

01

Mission

To help brands build a strong digital presence and connect with their audience through engaging and effective social media strategies

02

Target Audience

Small and medium businesses (cafés, beauty salons, clothing brands).
Local startups that need help managing their pages.
Entrepreneurs who want to increase visibility and attract new customers online.

03

Services

Helping businesses grow with full marketing services, smart strategies, and AI solutions all tailored to where you are and where you want to go.
(From your point to your peak)

Goals

Sub-Goals

Increase engagement rate

Sub-Goals

Reach 1,000 real followers on Instagram and Facebook within the first 3 months.

Sub-Goals

Acquire **3 paying clients** by the end of the sixth month

Sub-Goals

Publish **one valuable educational post** per week to demonstrate expertise and build audience trust.

Main Goal

Build a trustworthy and specialized brand in social media management and paid advertising for small and medium-sized businesses in Egypt during the first year.

Key metrics &TA

Key Metrics:

Engagement Rate
Number of new followers per month
Number of leads or inquiries
Clicks on links

Target Audience

category: Small business owners, cafés, local brands, and service providers.

Age Range: 23–40 years old

Location: Cairo – Giza – Alexandria

Interests: Online sales, digital marketing, business growth

Pain Points

Struggle to create engaging content

Don't know how to use ads effectively

Need someone to manage their pages professionally

Main Platform

Marketing Strategy

a. Awareness Stage

Create engaging posts introducing the company and team.

Run a launch campaign with offers (e.g., “Free social media audit for the first 10 clients”).

Collaborate with local influencers.

b. Engagement Stage

Post 3–4 times per week (mix of educational, entertaining, and promotional content).

Use trending reels and hashtags related to marketing.

Host live sessions on topics like “How to grow your Instagram page”.

c. Conversion Stage

Offer limited-time discounts on management packages.

Share success stories and before/after page results.

Use retargeting ads to reach interested lead

contant

Plane

Week	Focus	Contant Tayp	Goal
1	Brand introduction	Brand introduction	Awareness
2	Show expertise	Tips on content creation, case study	Engagement
3	offer	Free audit post	Conversion
4	Trust building	Client testimonial, behind-the-scenes	Retention

Growth Plan

Growth Plan

Month 1–2 Consistent posting + daily engagement with similar pages.

Month 3 Launch a **paid awareness campaign (EGP 400)** to boost visibility

Month 4 Offer a **free page audit** for new businesses.

Month 5: Share **client testimonials** and showcase results.

Month 6: Launch a **lead generation campaign** for monthly page management services

Expected Results After 6 Months

+2000 real followers on Instagram and Facebook combined

5+ consistent monthly clients

Scale Point becomes a **trusted and recognized brand** in managing social media for small businesses
